

## RACHEL HANSEN

### Online Networking Education

Wondering how you can use online networking to build your business?

Need an interactive, friendly consultation focussed on getting you up-to-speed with the latest online networking technology?

You've heard that Facebook, Linked In and Twitter would help you reach more people and generate more sales...

But have no idea where to start?

### BOOK A CONSULTATION OR WORKSHOP NOW

- Prior to the consultation, Rachel will email you a brief questionnaire to establish where you're at, and where you want to be with your online networking
- You will have the opportunity to do some guided 'pre-work' prior to the consultation if you wish.

**Contact Rachel now to organise a private consultation or a workshop for you and your colleagues.**

**Private consultations \$60 per hour, workshop prices on request**
